

ME TIME OPTIONALS

IMPORTANT NOTE: Below we list the ME Time optional activities which are available to you on this trip. They have been put together to enhance your holiday, but we stress that they are optional & will cost you extra. They are not part of your included trip price. They are all operated by independent third party suppliers, not Contiki. Some of these activities involve outdoor adventure, so there is an element of risk. You can make your own decisions about these activities & should only participate in activities you feel comfortable you can handle. Check your travel insurance includes your participation in adventure activities. Note: Where applicable, due to limited availability & closures outside of Contiki's control there will be occasions where certain ME Time Optional activities can not be offered or will not fall on the days indicated on your documents. We will however always endeavour to book these activities at the most convenient time for our travellers. Your Trip Manager will inform you of your schedule once the trip begins. Note: Prices may be subject to market conditions.
